

Wearing a

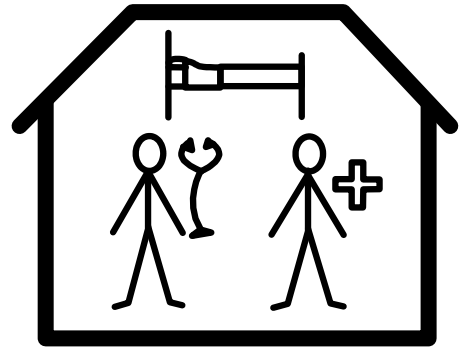

facemask

Some people at the

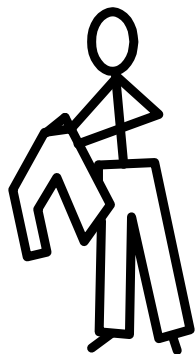

doctors

hospital

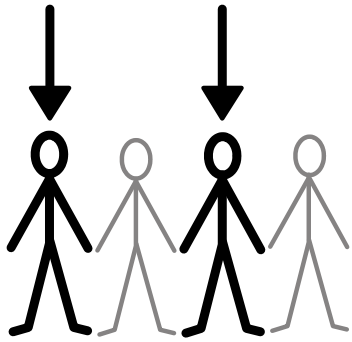

and

wear

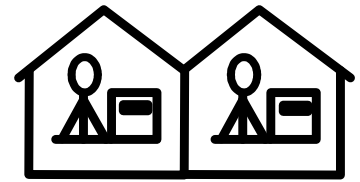

facemasks.

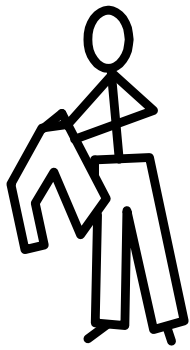

Some people

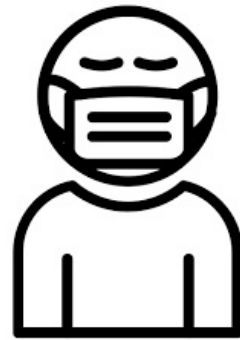

in

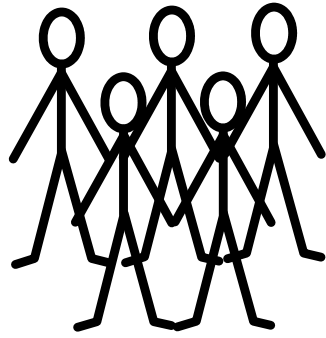

shops

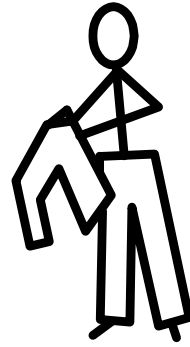

wear

facemasks.

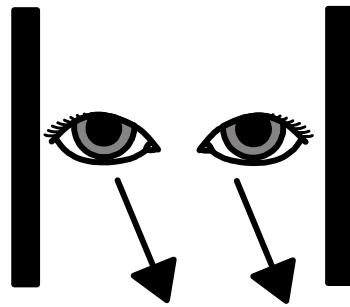

People

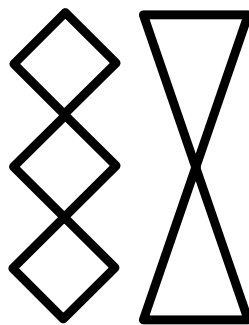

wearing

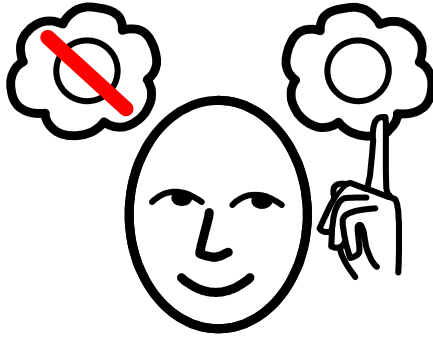

facemasks

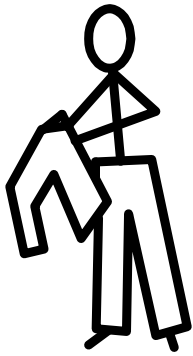

look

different.

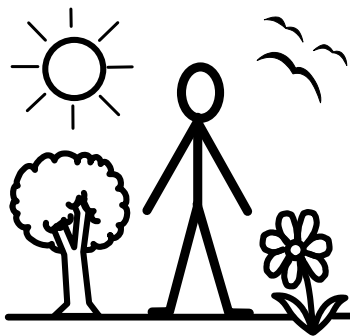

I can choose to

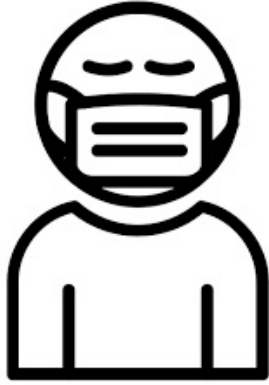

wear

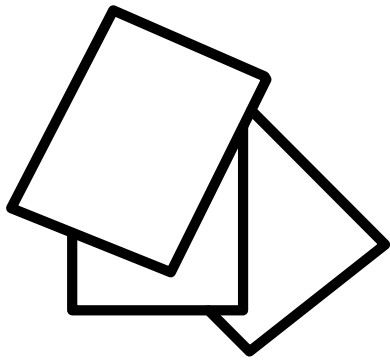

a facemask

outside.

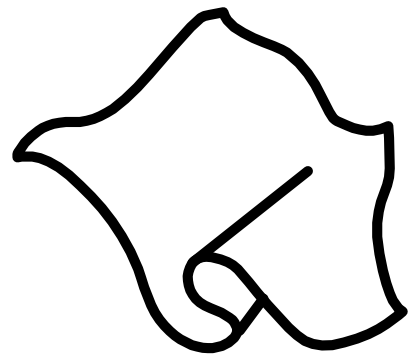

Facemasks are made of

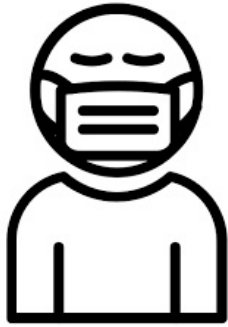

paper

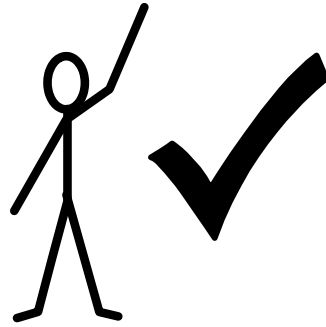

or

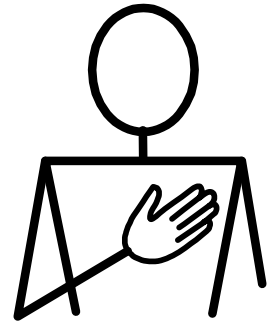

cloth.

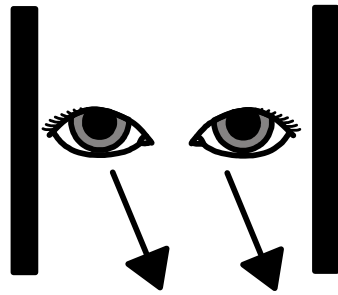

Facemasks

can

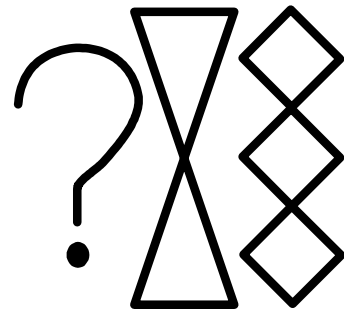

feel

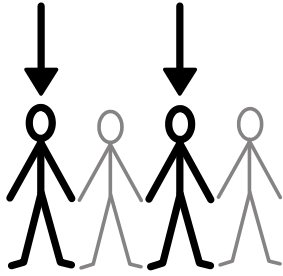

and

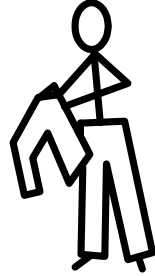

look

strange.

Some people

wear

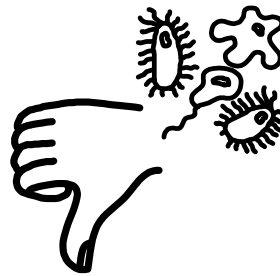

facemasks

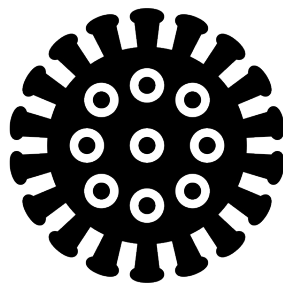

to help

stop

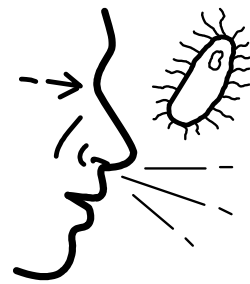

germs

and

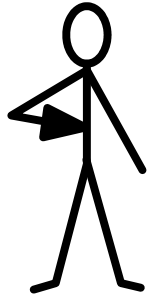

the

corona

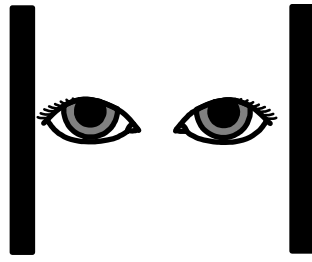

virus.

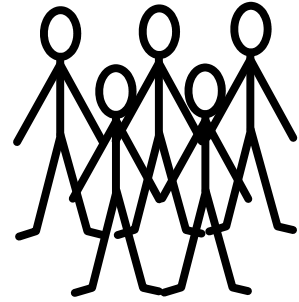

If

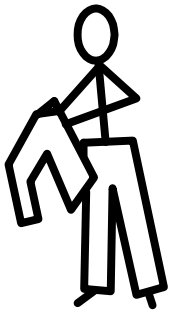

i

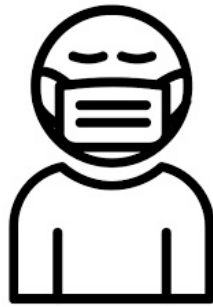

see

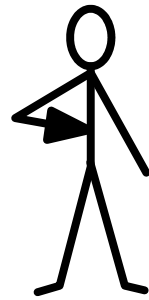

people

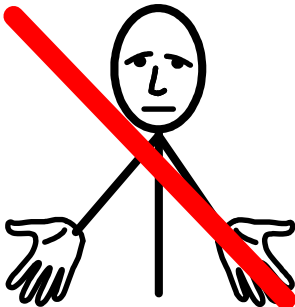

wearing

facemasks

I

do not need

to

feel worried.
